Registration in Employment Exchanges

†1053. SHRIMATI KUM KUM RAI: Will the Minister of LABOUR be pleased to state:

(a) whether Government are aware of the fact that the unemployed youths are not getting jobs even after expiry of five years of their registration in the employment exchanges;

(b) if so, the reasons therefor;

(c) whether Government have any scheme under which the youths can get employment within a stipulated period after getting registered with the employment exchanges;

(d) if so, the details thereof; and

(e) if not, the reasons therefor?

THE MINISTER OF LABOUR (SHRI SAHIB SINGH VERMA): (a) and (b) This is true for such occupations where a large number of job seekers are awaiting employment assistance through Employment Exchanges. This is essentially due to the gap between supply and demand.

(c) to (e) The Employment Exchanges register the job seekers and sponsor their names against the vacancies notified to them. There is no provision for securing jobs for people registered with Employment Exchanges. Due to emergence of various specialized recruitment bodies like Staff Selection Commission (SSC), Institutes of Banking Personnel Selection (IBPS), Railway Recruitment Boards (RRB) etc., the role of Employment Exchanges in placement is becoming restricted.
